Music Lessons in 2022

Instrumental and Voice lessons are available at St Margaret's College. These lessons occur during school time and are taken by well-qualified and experienced tutors who visit the College each week. The lessons are essentially private, but the Head of Faculty Performing Arts, Amanda Woods (email, amanda.woods@stmargarets.school.nz) monitors and guarantees standards. Any problems should be directed to her as well as to the teacher concerned.

Tuition is available in the following instruments:

Piano
Keyboard
Guitar
Bass Guitar
Violin
Viola

Cello
Double Bass
Oboe
Saxophone
Clarinet
Flute

Trumpet
Trombone
Voice
Drums
Harp

The minimum age requirement to start each instrument varies depending on the instrument. Please discuss this with one of the music staff.

Instrument Hire

A limited number of instruments are available for hire from the College, at a cost of \$50.00 per term. These instruments include violin, viola, cello, double bass, flute, clarinet, trumpet, and trombone. Please note that in the case of stringed instruments a young player will start on a smaller sized instrument. Girls are normally able to hire instruments for a period of up to two years, after which they will be expected to purchase their own instruments. Instruments may also be hired from the Christchurch Music Centre, Sedley Wells, or KBB Music. Music staff have details of this.

It is expected that girls who have piano and drum tuition will have regular access to a piano or drum kit on which to practice, but arrangements can be made where possible to use school instruments to practice on after school hours. Lessons are usually 30 minutes per week.

Music Lesson Fees for 2022

Instruments and Voice

Accounts will be sent out by individual teachers and are payable directly to them.

Additional costs will occur for the purchase of music and exam fees.

Should a student wish to discontinue lessons during the year, Ms Woods and the Instrumental teacher MUST BE GIVEN ONE TERM'S NOTICE IN WRITING. A full term's fees will be charged in lieu of notice.

Timetable

Students in Years 11-13 will have priority over lesson times and may have a set time each week during a study period. Students in Years 1-6 may also have a set lesson time. Where possible all other lessons will be timetabled on the same day but at a different time each week, so that girls avoid missing the same period every time. It is the responsibility of the student to catch up on school work missed. **Lessons are in addition to the school curriculum, not instead of it.**

School activities that disrupt the normal timetable will be taken into account when lesson timetables are arranged.

Absence

If a student is unable to attend a lesson for any reason, the student's instrumental/voice teacher, must be notified before 8.00am on the day of the lesson. Failure to advise of an absence in this way, forgetting to attend lessons or forgetting music or instrument will result in the usual charge for the lesson. If the teacher is away, the lesson will be made up, or the fees adjusted.
